

Athletics Rule 6702/Athletic Eligibility

The middle school academic eligibility standard (2.0 with no more than one failing grade in the marking period prior to and during participation in a sport) shall be the minimum requirement for participation. Schools may employ more stringent academic requirements if they so choose.

Expectations for all players who made the RMS basketball team

Congratulations on making the Ridgely Middle Basketball Team

To be eligible and continue to play on the team.....

Please be aware, that any student that is currently earning one or more “E” in a class may not be allowed to participate in games while earning that grade. They will be allowed to practice and support the rest of the team from the bench but will not play until their grade has improved. Feel free to review your child’s grades on Schoology, talk about a plan to raise grades if needed, and communicate with teachers as needed. If you have any questions, please do not hesitate to contact the coach.
